OVERSEAS STUDENT ATTACHMENT PROGRAMME 2026

Programme organised by MOE Sciences Branch

**Center for Excellence in Education Summer Programme, USA (CEE-RSI)
(28 June to 8 August 2026)**

In this programme, participants will be engaged in a rigorous academic programme which emphasises advanced theory and research in mathematics, the sciences and engineering. Participants will have a chance to attend college-level classes taught by distinguished professors from leading universities, as well as classes designed to sharpen research skills. In addition, participants will conduct research with selected mentors at universities, research organisations and corporations.

For more information, please visit <http://www.cee.org/research-science-institute>

Pre-requisite: Students with a strong interest and aptitude for STEM research; preferably with research experience are encouraged to apply for this programme.

Application deadline: 6 February 2026, 12 pm
